Subject: Appoint of consultant – Waste management in CPRI campus Bangalore

CPRI has already implemented waste management system in Bangalore campus .Under phase 2 of waste management, it is proposed to fine tune the system of waste management to achieve continued sustainability of the system . This apart it is proposed to take up proper disposal of E waste, scrap, oil waste etc. Also it is proposed to carry out "Waste audit" and "Environmental Impact studies" as per the standard norms so as to properly document the milestones achieved in waste management in CPRI.

In this context CPRI is looking for suitable consultants who have experience in carrying out consultancy jobs satisfactorily in the area of waste management in government organizations.

The prospective candidates/agencies shall have carried out atleast three similar consultancy jobs in Government organizations in the last three years ending on 31/12/2016.

The candidates are required to fine tune the existing waste management system in CPRI, impart necessary process training to the staff involved in waste management, impart necessary training to employees and colony residents to create awareness in waste management. They are required to take up ground level day to day issues and suggest trouble effective shooting.

They are also required to carry out" waste audit" on regular basis. And submit necessary reports on monthly basis as per stipulated format . They are required to carry out "Impact assessment studies" and submit necessary reports on regular basis. They are also required to interact with statutory authorities on behalf of CPRI and settle the issued pertaining to waste management issues.

The interested consultants may send their particulars like profile, experience certificates , their fees etc, to the Chief Administrative Office, ,on or before 25-01-2017. CPRI reserves the right to visit the organizations where the applicants have done similar works.
